W.P.Nos.21465, 21584, 21812 and 22958 of 2005

COMMON ORDER:

In all these Writ Petitions, the complaint of the petitioners is that certain members

have been illegally enrolled in the respondent-societies and sought to conduct elections to the societies by deleting their names.

Now, the learned Government Pleader appearing for the respondents submits that the elections to the respondent-societies have already been conducted during the pendency of these Writ Petitions. Therefore, the cause in the Writ Petitions has become infructuous.

The Writ Petitions are, therefore, dismissed as having become infructuous. No costs.

However, if there is any dispute as to the enrolling of the members and their participation in the elections, it is always open for the petitioners to work out their remedies as available under law.
